**ECO – FRIENDLY
P R O D U C T**

CREATED BY RACERS FOR RACERS, THE VIZYONAIR BOX WAS DESIGNED TO ACCOMODATE ALL SPORTBIKES AND THE EQUIPMENT NEEDED FOR A TRACKDAY

SIDE OPENING ALLOWS QUICK VISUAL ACCESS

Easy customs check. Quick conformity check. Contents condition check. Lockable with US TSA – approved lock.

CRATE CONVERTS INTO A WORK TABLE IN < 5 MINUTES

The table top is made of 3 integrated aluminium panels. Panels are stored within the Vizyonair Box. Panels are covered with anti-slip material. Retractable casters ensure perfect stability of the VIZYONAIR BOX.

INTEGRATED SENSORS

The device allows you to monitor separate functions including precise location as often as every 5 minutes
